HIST 310: Modern European History Seminar

Halvorsen University, Fall 2026. Prof. Wen-Li Aguirre

HIST 310, 1. Prerequisites

HIST 200 (Historical Methods) is required, along with sophomore standing or higher. Students without HIST 200 may enroll with written permission from the instructor.

HIST 310, 2. Grading Policy

Final grades are weighted as follows: the research paper 35%, two response essays at 15% each (30% in total), the final exam 25%, and seminar participation 10%. There is no curve; a final weighted score of 90% or higher earns an A.

HIST 310, 3. Late Work Policy

Papers and essays lose 5% of their score per day late, up to a maximum of seven days, after which they receive a zero. A deadline extension can be requested at least 24 hours before the deadline; extensions requested later are not granted except in emergencies.

HIST 310, 4. Attendance Policy

This is a discussion seminar and attendance is graded through the participation component. Two absences are allowed without penalty. Each additional absence lowers the participation score by three points out of ten. Arriving more than 15 minutes late counts as an absence.
